

INFORMATION TODAY, INC. WHITE PAPERS

➤ Whitepapers

Build credibility and trust with your core audience utilizing the clarity, influence, and reach of our best practices white paper series. Promote, sell, educate, or highlight the features of a particular solution, product, methodology, or service championed by your organization.

Our best practices series covers a broad range of relevant topics designed to help your customers and prospects better understand or solve a particular business problem or challenge.

You can run a white paper on any topic at any time, or choose to be included in our scheduled whitepaper series.

January/February Editions

- **Search & Discovery**—Solutions and best practices for selecting and implementing discovery systems in libraries

March/April Editions

- **Specifying Library Platforms**—Best practices for choosing OPACs, integrated library systems and library platforms and advice on how to migrate to a new platform

May/June Editions

- **Managing Digital Resources**—As academic and public libraries move steadily away from print and toward digital collections, they face new challenges in collection management. Put your solution before them.

July/August Editions

- **Ebook Solutions**—Public, academic, and research libraries face various choices when providing highly demanded ebooks for loan. What solutions do you recommend?

September/October Editions

- **Special Collections & Repositories**—Best practices and platforms for digitization, preservation and long-term access for public, academic, and special libraries

November/December Editions

- **Analytics**—Best Practices for evaluating ROI for library platforms, digital content collections, and other library services
